About real estate

We offer for rent an exquisitely furnished apartment, which was created by combining two studios. Furnished apartment with views of the Church of St. Nicholas and the Old Town Square are located on the 3rd floor of a neo-baroque house by architect Jan Koula on the prestigious Pařížská Street.

The layout includes an entrance hall, two modern bathrooms (bath and shower) with toilet and two separate studios with kitchenette, double bed (beds can be divided into single beds), storage space and a relaxation area with armchair. Both rooms are complemented by original Old Prague views / photographs from the pre-war period. Furniture decorated in an elegant black color can be stored; there is variability in the layout of the rooms if the tenant needs it. The kitchen is equipped with appliances including a dishwasher. The apartment has quality tiles and refurbished wooden floors; There is satellite TV, internet and mobile air conditioning.

Due to its location, this apartment is ideal especially for people who like to stay in the heart of the metropolis. Thanks to the layout of individual rooms, it is suitable for two couples or a family.
