About real estate

The space meets all current standards and is ready for immediate use.

The space can be used ideally as offices but is also suitable for commercial purposes, as a showroom etc. The interior is in the form of a "white wall" and can therefore be furnished and designed to suit the tenant's taste. The building is located in the heart of Prague's city centre, just a short walk from Masaryk Station and metro station B - Namesti Republiky, the premises are thus ideally positioned for business and investment.
