About real estate

We are offering 300 m² of office space for rent in an innovative office complex called Bredovský Dvůr. The project features nearly 12,000 m² of modern, top-tier Class A office space, situated between two meticulously renovated historic buildings. This unique complex sensitively combines the charm of the past with elements of contemporary architecture and, in addition to offices, also offers a peaceful green atrium, a restaurant, and retail space on the ground floor.

The workspaces are designed to be both impressive and conducive to creativity and efficiency. Thanks to the flexible layout, it is possible to create either an open-plan “open space” or smaller offices, allowing the layout to be tailored to the specific needs of each tenant.

Its strategic location in the city center, combined with high-quality amenities, makes Bredovský Dvůr the ideal address for companies seeking a prestigious and high-quality work environment. If you are interested in a tour, please feel free to contact us at any time.
