About real estate

Our company offers to rent offices in a project of a modern commercial building at a unique address, directly at the C-Pankrác metro station.

An interesting architectural design in the L-shaped plan, with a green interior atrium and a total office area of approximately 7,000 square meters, will become the ideal solution for medium-sized companies.

In this building you will find a modern work environment meeting the most demanding requirements for your developing company with the possibility of setting up a client center on the ground floor of the building and with the necessary facilities of the commercial and administrative complex, which is ensured by connecting with neighboring buildings.

Furthermore, the central reception, parking spaces in the garages, meeting rooms, openable windows, double floors, 24/7 entrances, security 24/7, barrier-free entrance to the building, technical maintenance, cleaning service, security turnstiles at the entrance office space, security cameras (CCTV), rainwater tanks, parking for cyclists.

Energy-efficient systems and civil engineering have been included in the planning process from the outset, making the building environmentally friendly but also budgeting for its tenants.
