About real estate

Invest in property in Croatia!

We present you an exclusive limited time pre-sale offer of 14 luxury villas and 20 semi-detached houses in a new development project in Istria, Croatia. Expect a private oasis of tranquility amidst unspoilt nature on 36,000 square metres, first class design, amenities and services of a luxury 5* star resort that will satisfy even the most discerning clientele.

Investing in this residential project in Croatia is the ideal choice for those looking for the perfect combination of an attractive investment opportunity and the comfort of their own home.

Project completion: 2Q 2025.

Please reach out if you have any questions.
