About real estate

We are offering for sale a fully furnished 1+kk studio in the premium Velos Residence project from developer CITYVIEW URBAN, which is currently under construction in Motor City – one of the most stable neighborhoods in Dubai.

This studio is designed with an emphasis on everyday comfort. The open living area flows seamlessly into a private bedroom with its own balcony, which naturally extends your living space outdoors. Large floor-to-ceiling windows let in maximum daylight, making the interior feel fresh, airy, and timeless—without unnecessary effects that quickly become outdated.

The studio is fully furnished, including a complete kitchen with integrated appliances, high-quality materials (porcelain flooring with a wood look, quartz countertops with a terrazzo effect, oak furniture, a walk-in shower with glass walls, and modern chrome fixtures).

Velos Residence features an infinity pool on the roof, a luxurious lobby, green gardens, and a wide range of premium amenities – from fitness centers and sports fields to relaxation areas. It is designed for those who are looking for quality living in a proven location with an emphasis on space, light, and comfort.

Motor City offers a balanced lifestyle – a peaceful, green environment with parks, sports facilities, cafes, and everyday services right in the neighborhood. At the same time, it remains well connected to the city's main arteries: Sheikh Zayed Road is only 15 minutes away, Burj Khalifa 24 minutes, Dubai Marina 22 minutes, Burj Al Arab 20 minutes, and DXB Airport 26-28 minutes. This combination of tranquility, greenery, and quick access to the city center, beaches, and business districts ensures that living here will remain stable and valuable in the long term.
