About real estate

We offer for sale a luxury apartment 2+kt with a living area of 70,3 sqm with two balconies (5,8 sqm and 9,4 sqm). The apartment is part of the newly created luxurious five-star MOLO Lipno resort with a private garden and a pier to the lake. The project grows on the bank of Lipno, in a beautiful location surrounded by Šumava countryside, and offers second home and recreational use. A five-star hotel will be built next to the resort, which will extend the potential for residents for many services throughout the season.

The apartment is practical, luxuriously equipped, with underground parking. In the spacious hall there is a separate chamber and plenty of additional storage space. Living room (27.7 sqm) with kitchenette and entrance through the French window to the balcony (S) overlooking the atrium garden. There is also a separate bedroom (14.5 sqm) with access to the other of the balconies. The bathroom with an infrasauna and a shower is equipped with premium furnishings (Villeroy Boch, Kaldewei or Hüppe.) The apartment has a cellar (5.1 sqm), separate cubicle and one parking space in underground garages with reduced ramps for SUVs, in the garage there will be the electromobile charging station.

The resort is designed to a high standard: cooling with internal masonry, sub-circulation units, central house boiler room with connection of individual apartments via heat exchanger, allowing spatial control of heating and ensuring the heating of domestic hot water. Security fire doors. Wooden floors, large-format design floor tiles in bathrooms and chambers. Wooden windows, triple glazing, French windows by the balconies and terraces, views of the lake or the garden (according to the location of the apartment).

Resort is secured by an electronic entry system. Common reception with security. Due to the division of houses into sections with separate staircases and elevators there are a maximum of three apartments in the corridor.

Between the residence and the hotel there is a promenade with shops and a café leading to the majestic 150-meter-long pier with a swimming pool and the Molo Club Restaurant, where you can have a drink or a dinner overlooking the sunset. The pool is heated, with clean, filtered water.

The location of the largest lake in the heart of the Šumava is ideal for every season. In the spring and autumn it is great for golf, hiking, horseback riding or cycling. In the summer it is ideal for water lovers, especially swimming, diving, yachting, surfing, kiting, water scooters and sport fishing. In winter it offers almost 12 km of downhill courses, a ski and snowboard school, a well-known snowpark, cross-country trails and the largest childrens ski area in the Czech Republic. For more demanding skiers, Hochficht Ski Resort is just across the border with Austria, with its 21 ski slopes.
