Disposition	2 + kitchenette	Usable area	51 m²
Offer status	Sold	Floor area	54 m²
Energy performance of the building	B - Very economical	Floor	ground floor
Terrace	21 m²		

About real estate

We are offering for sale a modern apartment 2+kt with a floor area of 54 sqm and a terrace of 21,2 sqm in the Kladno Living residential project, which is being built in one of the most attractive locations in the city of Kladno – Kročehlavy. This new development project represents a unique opportunity for those looking for new apartments in Kladno or an investment in real estate with high appreciation potential.

The Kladno Living project consists of five elegant apartment buildings (A-E) with a total of 371 units and offers the ideal combination of peaceful living in green surroundings and excellent transport links. In addition to the full range of amenities in the surrounding area, residents will appreciate their own neighborhood garden, playground, the nearby Nové Boroviny forest park, and excellent connections to Prague and Václav Havel Airport. The Pražská křižovatka public transport stop is located right next to the project – you can reach the center of Kladno in a few minutes and Prague's Nádraží Veleslavín metro station in approximately 25 minutes.

The apartments for sale in Kročehlavy are designed with an emphasis on functionality, energy savings, and maximum comfort. From cozy 1+kt to spacious 4+kt family apartments, each apartment has an efficient layout and plenty of storage space. Most units offer a balcony, terrace, or front garden, which expand the living space. The project includes plenty of parking spaces and basement storage units.

The low-energy Kladno Living project (EPC B) focuses on sustainability and modern technology – the apartments feature a heat recovery system, energy-efficient underfloor heating, and preparation for outdoor aluminum blinds. There will also be photovoltaic panels and green roofs. Thanks to these solutions, the apartments offer a healthy and comfortable indoor environment with plenty of natural light and low operating costs.

The high standard of fittings includes quality vinyl flooring, designer ceramic wall and floor tiles (60x60 cm), raised ceilings in living rooms (2,750 mm), plastic windows with insulated triple glazing, flush interior doors with magnetic locks, and quality sanitary ware with Gröhe taps.

Kladno Living – modern living near Prague, where peace, space, and comfort set a new standard of living.

The project is being sold in three phases. The final approval of phase 1 (buildings A and B) is planned for the autumn of 2027.
