About real estate

In the newly emerging project Corso Harrachov we offer for sale an exclusive apartment 3+kt with terrace, which offers panoramic views of the center of the ski resort and the church.

The Corso Harrachov project is located right next to the ski slope and thus offers the possibility to ski in - ski out. In addition to the unique location and unrepeatable view from the apartment, you will have at your disposal the services of the reception, lobby, café with breakfast service, wellness and sauna world with services, as well as a games room and children's corner or ski and bike service.

The high-standard project with high-quality materials was created under the supervision of the architects Mr. and Mrs. Pizinger from the Morix architectural studio.

This is a unique appreciation of your investment in mountain holiday property, which can often bring you better appreciation than a savings account, term deposits, etc. The perfect location in the centre of the resort at the entrance to the ski area and the designed high standard of the apartments with 4* resort services is a permanent guarantee of the highest demand and returns when renting your future apartment in the Corso Harrachov project.
