About real estate

We are pleased to offer for sale this luxurious and fully furnished apartment with a terrace and optional garage parking, located in a sought-after residential area on the southern side of the city of Split, in Croatia's picturesque Dalmatia region. Just 700 meters from the sea, the apartment offers 66 m² of living space, two bedrooms, two bathrooms, and a spacious living room seamlessly connected to a modern kitchen.

The interior is tastefully and functionally designed with attention to quality craftsmanship and contemporary finishes. The apartment is sold fully furnished and air-conditioned, ready for immediate use or rental. A sunny terrace provides the perfect spot for morning coffee or relaxing evenings. A private garage space in the building is available for purchase.

Situated on the second floor of a residential building with an elevator, the property lies in a quiet street with excellent access to all amenities — including schools, kindergartens, shops, and public transport. The historic city center, home to the famous Diocletian's Palace, a UNESCO World Heritage Site, is just 2 kilometers away.

Split is the second-largest city in Croatia and the main urban center of Dalmatia. Located on the eastern Adriatic coast, it spans a central peninsula and its surroundings. Thanks to its rich history, cultural landmarks, and natural beauty, Split is not only a prominent tourist destination but also a key transportation hub with excellent connections to the Adriatic islands and the Apennine Peninsula. It blends vibrant urban living with Mediterranean charm, offering full civic infrastructure, bustling ports, beaches, and a captivating historic core.

This property presents an attractive opportunity for those seeking high-quality urban living near the sea, as well as for investors looking for a premium rental asset in a popular coastal destination.

We will be happy to provide more information or arrange a private viewing of this exceptional property.
