About real estate

We offer for sale 27 luxury villas from 3+1 to 5+1 with views directly to the Atlantic Ocean in the Serenity Luxury Villas project, located on the southern tip of Tenerife.

Each villa boasts three floors, a built-up area of approximately 300 sqm, a plot of approximately 500 sqm, two parking spaces in the garage, spacious terraces and a heated swimming pool. In the basement there are two to three multifunctional rooms (gym, office, cinema, relaxing family room, games room). On the other floors there are bedrooms, a total of four fitted bathrooms, a walk-in closet, a fully equipped kitchen with Bosch appliances, laundry room, utility room and storage room. The villas are equipped with built-in LED lighting, air conditioning, security alarm, smoke detector in the kitchen, flood detector in rooms such as bathrooms, wi-fi system, video phone and elevator.

Serenity Diamond service can be used to take care of home maintenance, chores and restocking.

The coastal location of the south-western part of Tenerife offers amenities for even the most demanding clients. The location of the project provides very easy accessibility around the area. There are plenty of boutiques and restaurants, golden sandy beaches, an ideal environment for water sports, the Siam Park water park with its many attractions, a golf course or hiking trails in Teide National Park.

The energy performance class "G" is listed only temporarily to meet legal requirements, the certificate is commissioned to be drawn up.
